to book your stand

Be part of a **dedicated, focused zone** within the **MACH Exhibition**, showcasing the best in **industrial laser systems**, promoted by **AILU**.

Lasers are now fundamental to modern industrial processes – especially in advanced sectors like **Medical Device Manufacturing, Defence, Renewable Energy** and **Electronics**. If your business specialises in industrial laser systems, the **Lasers for Manufacturing Zone** is your platform to connect with buyers, demonstrate innovation, and drive sales.

Owned and organised by the MTA, MACH is renowned for being the UK's premier engineering and manufacturing trade show. Taking place between **20-24 April 2026**, MACH offers businesses an ideal opportunity to showcase their latest innovations to an expected audience of **more than 26,000 attendees**.

Located in **Hall 6**, the dedicated zone for **AILU members** will attract potential buyers and key decision-makers looking to invest in local supply chains that maximise productivity and sustainability.

- **AILU members receive** a 10% discount on stand cost
- **Forge** new business relationships
- **Generate** in-market enquiries
- **Boost** sales

Lasers for Manufacturing Zone

HALL 6

Space/shell-scheme rates

	Space-only	Shell-scheme	Show Ready
Rates	£425per m ²	£455 per m ²	£750 per m ²

AILU members who book a stand within the zone will receive a 10% discount off the list price.

The above rates exclude VAT at the ruling rate.

SPACE-ONLY OPTION – If you select space-only, the rate includes the first lift on and off for your exhibits. **Please note** that this applies to exhibits only and not stand construction and/or materials.

SHELL-SCHEME OPTION – If you select shell-scheme, the rate includes shell-scheme, fascia, ceiling grid, carpet, company name board and basic electrics (240v socket and fluorescent light).

SHOW READY OPTION – If you select Show Ready, the rate includes a modular stand build with full bespoke graphics, carpet, electrics and LED lighting.

All stand types come with a full listing on our website, entry into our show guide, unlimited staff badges and an allocation of exhibitor parking passes.
